

# SALLY CHAFFEY

CASE MANAGER  
PHYSIOTHERAPIST

Sally has over 15 years of experience as a Physiotherapist with her most recent position as a Therapy Manager and Clinical Specialist Physiotherapist at a residential ABI unit. She has managed complex patients, supervised therapists, and also has experience in neuro-rehabilitation units, particularly with individuals with spinal injuries. Sally plays a crucial role in ensuring clients receive seamless rehabilitation progress, both in the centre and in their own homes. One of her biggest achievements was developing an outreach service at an ABI unit.
